OVERALL FACILITY PERFORMANCE

I OVERALL FACILITY PERFORMANCE

- A. The Corrections Division Commander or designee will evaluate the facility's overall security annually to ensure that safety and security requirements are met.
- B. The Corrections Division Commander or designee will prepare an annual report, which will be an overview of the safety and security measures within the facility.
 - 1. The report will be submitted to the Board of State and Community Corrections.
- D. The report will include, but not be limited to:
 - 1. Critiques of critical incidents;
 - 2. Searches of the facility and inmates;
 - 3. Contraband control; and
 - 4. Key control
- D. The Corrections Division Commander or designee will inspect and review safety and security measures as needed, to provide an assessment of the various facility operations which will determine the degree of compliance with policy and procedure.
