Public Input on Military Equipment Use

As required by law under California Government Code §§ 7070 et seq., the Mendocino County Sheriff's Office has established a procedure for members of the public to register a complaint, concern, and/or submit a question about the use of a specific type of military equipment currently possessed or requested by the Mendocino County Sheriff's Office.

Public Input forms can be delivered to any of our offices or substations, or emailed to militaryequipmentuse@mendocinosheriff.org, or mailed to our administrative office at:

951 Low Gap Road
Ukiah, California
95482

Public Input forms will be first reviewed by the Undersheriff or a Sheriff's Captain or the Military Equipment Use Coordinator. The Sheriff's Office will provide a written response to most inquiries within 30-days from the date received or 30-days from the date of disposition for complaints.

Instructions: *When completing this form, the complaint, concern or question must be specific to a single military equipment type. If complaints, concerns, or questions exist on more than one military equipment type, a separate form is required for each additional military equipment type. A current list of Military Equipment Types possessed for use or being requested for use by the Sheriff's Office can be found at https://mendocinosheriff.org/sb-481-materials-2/.*
